

ZijiPics! Clouds (Book 1): Book 1 in Clouds Series, Book 2 Overall in ZijiPics! Series

Welcome to ZijiPics! This is another photo book of Clouds. Ziji is a Tibetan word for Being full of Radiance, Brilliance & Light. You always bring your own Radiance to Life. Enjoy the pics! MORE: With Maison DEtre Publishing, Mike created this book and others, all interrelated. He brainstorms intuitively (a process called Whisking) with businesses and individuals alike to help them expand in Life (bizWhisk & lifeWhisk). What do you want to know in Life? What should you let go of? How do you need to grow? Mike helps unlock a situation or person to Be More Efficient (Love), Open & Flowing. Mike is an Empath who helps people get creative, spot obstacles, expand Thinking, find themselves & more. Showing people Balls of Light (Angels) and having them speak with 3 Indian Chiefs to ask any Life Questions are part of the process (The Unconditional Love spirits of Dull Knife, Red Shirt & Geronimo respond, representing respectively Wisdom, Compassion & Action with answers and some humor too). He heals with Angels and helps some folks meet their Guardian Angels (Angels & you do all the work!). People connect or talk with his Guardian Angel via a real photo too. He sees balls of light daily (Pure Love, Gods love for us all, Angels). +17,000 pics back it up. Some people end up seeing Balls of Light too or unlock their Intuitive talents more. All skills are already within us all. He shows folks their energy field (Rainbow light, white light or colors), even over the phone. What does it All mean? Its about Being, Loving and Letting Go. Mike Believes in All, wants everyone to know their Angels, wants us all to have Peace & helps rid the world of Anger. In his writings, he channels Mary, Jesus, the 3 Chiefs, Muhammad, Plato and others to talk about Unconditional Love, Opening the Heart & Mind, Letting Go, meeting & taming your Ego, & reaching your Inner Self (Love).

WHAT MIKE DOES: He teaches Mindfulness, Spirituality, Energy, Discipline, Peace of Mind, No Limits, Patience, Kindness, Freedom, Compassion, Self-Love, How to Open Up, Opening Openness, & How to take a Breath. Also, How to Know Yourself, How to Unlock Ego, How to Lose Fear & Gain Self Confidence, how not to give a crap, how to shield yourself from negative thoughts, How to Let Go, How to Expand the Mind & Thinking, How to be a Warrior, & How to Empath/Channel More Directly (You already channel energy in each daily moment with everything you do!! Choose Love or un-Love in each Now. This = +/- energy.). He is a Coach to Peace & teaches that everyone can trust in their Angels. He shines Glowstick Light Over Mountains & changes the direction of the desert winds. He teaches Glowstick Zen, where you can Be One with the Glowstick. What could be more Fun?! He shows you the Big Picture to help you open up the mind. He Encourages, Inspires, Guides, Speaks & Finds Truths, sticks to the positive, & listens with all of him. He teaches only what he knows & reminds you of the Connection Beyond. He teaches what you already should know & that the power to Change is within All of Us. He brings you closer to your Inner Self. He activates the Light Body & Rainbow Bridges.
