

## Zombie Tales Vol. 2: Oblivion

Deviating outside of the familiar old school George Romero zombie apocalypse, *Zombie Tales* takes a cue from *Shawn of the Dead* and delivers some comedies, as well as taut thrillers, dramas, and some social commentary. Dedicated to delivering smart, accessible, high-quality short stories, this is an anthology that has met with great acclaim amongst comic book fandom, featuring more fantastic zombie stories from more great writers and artists that you know and love.
