

The Trail Bride (The Montana Brides, #5) (Volume 5)

Broken Spur. Montana Territory. 1876
Finn Williams lives his life by one question: What's in it for me? When he comes to Broken Spur and finds pretty petite blonde Charlotte Adams looking for her missing brother and daughter, he can't see how he'll benefit by helping her find them. But since Finn is the main suspect in their disappearance, he doesn't have a choice. Problems mount and lives are changed as a mystery surrounding a hidden cash box is unveiled. And through it all, two people will find love.
